Capital Campaign Announcement

Habakkuk 2: 2&3

Write the vision and make it plain in tablets, that he may run who reads it. For the vision is yet for an appointed time; but at the end it will speak, and it will not lie. Though it tarries, wait for it; because it will surely come, it will not tarry.

This scripture speaks of a determined time in God's eyes. God knows His plan and the outworking of all things in accordance with His purposes. The assurance of fulfillment lies in God Himself. The fulfillment of the vision will not take any longer than God has planned.

The valley has been so incredibly blessed to see parts of the camp vision be fulfilled on His perfect timing. We believe that it is time to engage with you in another part of this exciting youth ministry vision.

\$ 600,000.00 is the financial goal over the next five years. These funds will be delegated towards (but not limited to) the following capital projects:

- Staff housing
- New climbing wall
- Horsemanship area
- New Archery site
- Sports shed
- Guest / volunteer staffing cabin renovations / upgrades (old "Petra" just south of dining hall)
- Infrastructure: efficiencies and upgrades

This newsletter announcement will serve as the initial "launch" with much more exciting news and details to follow. Our camp office will be accepting all donations and pledges beginning this fall of 2011.

All that we have is God's to do with as He pleases. We are merely managers of His possessions. Psalm 24:1, Luke 19: 11-27, Matthew 25: 14-30.
