## New Maintenance Director

Glory and honour to God whom has orchestrated a move back into camp ministry for my family and I.

Philippians 1:6 Being confident of this very thing, that he which hath begun a good work in you will perform [it] until the day of Jesus Christ.

I have always had a love for camp and believe in the ministry that is done through it. I believe strongly that God has given me the gifts and abilities to bring Him glory through this position. I look forward to the many ministry opportunities that will proceed working with the team at PVBC. For me, camp has always been a special place to seek God

and grow closer to Him. I enjoy meeting and fellowshiping with people, being in God's creation with others through the camp or nature experience. Sharing life experiences, testimonies around a campfire, at mealtimes or whatever project presents that opportunity.

I have enjoyed my visits at camp meeting some of the staff thus far, and I most definitely have enjoyed getting to know Derek. God has blessed him with gifts of encouragement and leadership. I sense that Derek and I have a couple things in common that will aid in work within ministry together; an understanding that phones/emails are very helpful and useful but seeing ones eyes (face to face) speaks much louder, that one's first ministry calling is family, both striving to

NOT press forward individually of what God has already orchestrated in His time and will, and of course, a love for camp ministry.

I look forward to meeting and working with many that will take the time to read this. My prayer has been that I will use the gifts and abilities that God has given to me for His Glory and Honour and I believe that HE has answered and blessed that prayer.

Philippians 4:7 And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

## Program Director Announcement

In May of this year, I was accepted as a student at Millar College of the Bible(SK) and submitted my resignation as Program Director of PVBC. I will be entering a three year program at Millar, focusing on Bible and biblical languages. The schedule will be a bit tight, as our last day at camp will be August 30th, and school starts September 2nd. My aim is to develop as a servant of Christ so that he can use me more effectively in the area of teaching His Word. Our family exits on good terms, and we hope that we have left a legacy that honours our God. Please pray for our family as we enter into a new season of growth, financial change, and distance from family. Pray also that God will provide a Program Director who will serve Him zealously at the valley.

*Matt Woodmass*

## Capital Campaign Announcement

We believe in Kingdom building for the King. Not being influenced by the world around us, rather as modeled by Jesus with love and truth impacting the world around us. The Valley desires to be continually obedient as God's plan unfolds for His camp ministry at PVBC. Full time / year round staff positions and housing are changing. For 2011 we are completing a new base-

ment and moving the existing directors house onto that basement on site to a "new" yard (the old archery site) for the Randall family. (our new maintenance director)

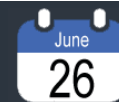

We will be launching a capital campaign for 2012 with more details to come. It will include such announcements as; a replacement directors home, staffing announcements,

climbing wall and horsemanship plans.

Join us in prayer and partner with us financially, volunteer labour, material needs and excitement as our epic journey with Jesus prepares us for His harvest.

Grace and Peace In His grip,

*Derek Neufeld*
